*Merely no words and phrases to describe. I really could comprehend almost everything using this created e pdf. Your daily life period will be change once you full reading this ebook.*

*(Mr. Ladarius Stoltenberg)*

## HEALING IS POSSIBLE: NEW HOPE FOR CHRONIC FATIGUE, FIBROMYALGIA, PERSISTENT PAIN, AND OTHER CHRONIC ILLNESSES

Basic Health Pubns. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 8.9in. x 6.0in. x 0.4in. A useful and comprehensive resource for anyone who has fallen through the medical cracks, *Healing is Possible* provides readers with new hope for healing. Through direct, hands-on experience, Dr. Nathan has brought countless people relief from their long-term symptoms and illnesses. Like a top-notch medical detective, Dr. Nathan gathers the facts and uncovers the clues one by one to bring about a steady improvement in his patients health. In *Healing is Possible*, Dr. Nathan identifies the twelve major imbalances in the body that often contribute to chronic and/or complex illnesses, such as chronic fatigue and fibromyalgia. Unfortunately, these imbalances are often overlooked or ignored by mainstream medicine. By identifying and treating these imbalances-- which he calls the Big Six and Little Six--symptoms often improve or resolve completely. While further investigation is sometimes necessary for complete healing, when a well-informed and valiant effort is made on the patients behalf, Dr. Nathan assures readers that healing really is possible. Cutting-edge diagnostic tools and treatments are discussed in easy-to-understand language, arming the reader with information that may be vital for finally bringing them relief from their long-term health complaints. Further, the importance of having an open mind and good attitude-- on both the part of the physician and the patient--are on top of Dr. Nathans list. A caring and knowledgeable physician can make a world of difference, as illustrated by the case studies included throughout this book. In a time when health insurance providers and stodgy physicians are stuck in the twentieth-century model of medicine, readers will find hope in this twenty-first century take on true healing. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
