

The Field: A Story about the Future

By Lionel Goulet

Computer Help Company. Paperback. Book Condition: New. Paperback. 221 pages. From the prologue: Gary stepped out of the parking garage into the bright New England sun. It felt warm on his face. Summer was pretty much over, but it wasn't quite Fall. He ambled along to the General Surgery building. He wasn't in a hurry, but he wasn't going to be late for his surgery either. He felt a little excited, a little giddy, and a little scared. He was going to be getting his Insert. He had been looking forward to it for years. This was a big deal. Gary's wife Jenny had gotten her Insert a year ago and the changes it had brought to her life, to THEIR lives, were significant and subtle. One subtle change was she no longer needed a phone. An Insert could do more than ANY phone. She would be sitting at dinner when she would suddenly raise a finger to Gary, indicating that someone was calling. Gary remembered the conversation she had had just last night with their daughter Elizabeth. Gary couldn't hear either side of the exchange but he could see the look on Jenny's face turn from hopeful, to neutral,...

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throug reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
