

Dementia: The One-Stop Guide: Practical Advice for Families, Professionals, and People Living with Dementia and Alzheimer's Disease

By June Andrews

Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Dementia: The One-Stop Guide: Practical Advice for Families, Professionals, and People Living with Dementia and Alzheimer's Disease, June Andrews, Across the world, 44.4 million people live with dementia. Hundreds of millions of people are affected by the dementia of parents, partners, siblings or friends. And as much of the world struggles with an aging population, dementia is set to become ever more of a challenge for societies and individuals. But still, most people who are diagnosed, or who are dealing with the diagnosis of a loved one, feel as though they are alone. Dementia: The One-Stop Guide aims to fill this gap, providing practical information and support for living with, or caring for, dementia. With clear and sensible information about recognising symptoms, getting help, managing financially, staying at home, treatment, being a carer and staying positive, this guide will help those with dementia and their families to make sure that they can stay well and happy as long as possible.

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
