*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Templar Publishing. Paperback. Book Condition: new. BRAND NEW, The Fangs of the Dragon and Other Case Files, Simon Cheshire, Saxby Smart, private detective, is back. Operating out of his garden shed, Saxby takes on cases brought to him by other pupils at his school, never failing to uncover a web of intrigue and deceit. In 'The Dragon's Fangs', it is one of his teachers who needs his help. A recent spate of intrusions at a number of her pupils' homes has upset everyone. There is no sign of forced entry, in most cases nothing appears to be missing, and several times the homeowners were clearly seen at home. Saxby, by careful deduction, is able to solve the mystery. Can you see all the clues? The other two stories in his case files are -- 'The Tomb of Death' which involves skulduggery in the rare comic book market, and 'The Treasure of Dead Man's Lane' which finds him searching an old house for hidden treasure of a very different kind.
