

## The Great Greenhouse Gases Hoax: Chicken Little Science (Paperback)

By Herb Rose

Outskirts Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The problem of greenhouse gases causing global warming and climate change has become a major concern for people everywhere. They are told to be aware of their carbon foot print and be willing to make sacrifices in order to prevent the disasters to come. The reality is that the theory of greenhouse gases is completely wrong and violate a fundamental law of physics. People believe that the theory has been proven to be true and is a fact because of all the scientists and evidence supporting it. Reality and truth are not determined by popular vote and all the propaganda and loud hysterical support will not make the theory be true. Today we live in a culture where people let the experts do their thinking. If there is a question, google it and get the answer. You do not have to think to find the answer you only need to have an expert give you the answer. The problem is that most of the experts throughout history have been wrong. Experts tell you what other experts have...
