Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Jorge Pinto Books, United States, 2011. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the first book of a subseries included in Bibliotreatment. Reading is therapeutic, and many of the issues that may be worrying you have been broached by great writers whose insight sometimes makes you wonder whether you/ someone you know have been spied on to provide literary material. Despite a widespread belief to the contrary, reading is not a passive but an extremely demanding interactive process. It involves mental activity, is embedded in other communication abilities, and converts graphic stimuli into meaning. Moreover, fiction works pose very real challenges. You need to pierce through the level of the enunciated (the actual words used and their arrangement in sentences) to reach the level of enunciation (to put it simply, what lies behind the words; what the author conveys even when she is not aware of actually having meant what seems patent to you.) Between-the-lines reading is a fascinating exercise in detection, association, comparison, identification, debate, and much more. Active reading, the only way to really profit from books, is reflected in notes pencilled on the margins, highlighted phrases or passages, question and exclamation marks, crosses, and the like. Nothing can be more wrong than to think that a book is a valuable, a sacred object that must be preserved intact. Books call for intervention, in the same way as some forms of contemporary visual art appropriate an object and make a new imprint on it, thus turning it into a unique object, for every intervention is exclusive and individual. The key, indeed, is appropriation. Your copy, your interaction with the story, your conclusions. Books have an ending, but are not truly finished until readers reinterpret and...
