

Fields of Green: The Simpler Way to Wealth (Paperback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

iUniverse, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Today, more than ever, in an overwhelming world of financial complexities, there is a need to reintroduce simple concepts about money management. Contrary to popular thought, the real answers are not the exclusive property of the affluent, white-collar population. We all have the ability to succeed financially-through basic discipline and common sense. In *Fields of Green*, author and CPA Terry Brown shares some commonsense strategies for intelligently navigating today s complex financial opportunities. From his days growing up on a farm, Brown learned a strong work ethic and a clear vision of financial realities from a young age. Years later, lessons gleaned from working in corporate finance rounded out his approach to financial management and stewardship. Regardless of background, education, or vocation, everyone faces similar challenges-needs and wants, credit card debt, college funding, and retirement planning. Today, retirement and medical plans are much less attractive than they were even a generation ago. The keys to financial security are within your reach, but you need to understand the basic truths first-and those are what Brown offers here. By breaking down what most consider to be impossibly complicated financial theories, Brown shares these truths with the layperson. Financial wisdom is really quite accessible, once you break it down to the basics. In *Fields of Green*, he gives you the tools you need to confront today s toughest financial challenges.
