Discovering Words in the Kitchen

By Julian Walker

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Discovering Words in the Kitchen, Julian Walker, Throughout history the English language has reflected social changes, trade routes, and waves of fashion. This book examines the histories of the names of foods, ingredients, utensils, drinks, cooking methods, and dishes to show how the vocabulary of English has reflected the ways speakers of the language have interacted with their tastes, their environment and other cultures. Approximately 250 words that have entered English language over the past fifteen hundred years are examined, ranging from Old English adoptions from Latin via French, to U.S. adoptions from Chinese. Changes of spelling and meaning and disagreements about the history of the words are discussed, supported by references within the text to authoritative food historians and dictionary writers from Johnson and Webster to the most recent publications.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my father and dad suggested this ebook to discover.
