

Easy PC Care: be Your Own Expert: Teach Yourself 2010 (Paperback)

By Anthony Price

Hodder Stoughton General Division, United Kingdom, 2010. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. Bill Gates famously bold prediction -- that one day, every home would have a computer -- is now, if anything, a huge understatement, with many households (and certainly most buisnesses, however small) boasting multiple machines. Written by a working PC technician, this book takes you through the basics - the jobs you can do yourself with a bit of know how and a screwdriver. It tells you what you need to know about hardware and how to get the most from your operating system tools (including Windows 7). If you have more than one PC you will learn how to network them to share your printer / scanner / Internet connection, using conventional cables or wireless technology. And for the jobs that you can t do yourself, there are some guidelines on how to find and brief a PC technician and how to check that you re getting the work you pay for. Ideal for small enterprises - businesses, voluntary organisations etc who need to implement small networks, share resources etc this book is the perfect guide to installing...
