The Guardians of Time

By Damian Lawrence

Pentelicus Press. Paperback. Book Condition: New. Paperback. 500 pages. Dimensions: 8.0in. x 5.3in. x 1.3in. Food riots. Resource wars. Catastrophic storms. Unprecedented mass extinctions. Coincidence By the middle of the twenty-first century, the world is out of time. On the brink of a global environmental cataclysm, a physicist attempting to harness the ultimate renewable clean-energy source offers the only remaining option to delay the imminent disaster: time travel. But while helping to save the world through the method he develops—a mysterious and otherworldly combination of physics and metaphysics—Mark Lawson unwittingly plants the seeds for its misuse by those who have everything to gain from engineering a future where they make the rules. He has discovered the key to the most extreme potential weapon of mass destruction ever known to man, and now it must be controlled. Forty-five years later, in a fragile world still recovering from near devastation, in which the secret of relativistic diving has fallen into the wrong hands, the men and women of a covert intelligence organization quietly fight an undeclared war against a new kind of enemy—one that wields temporal terrorism as a weapon. Using the techniques first developed by Lawson, the Guardians are engaged in a...
