The inspiring and humorous story of living the challenge of a hearing impairment. The journey takes the reader through Sandras approach to managing her hearing impairment through challenges of school days, dating, marriage, motherhood, grandmother hood, divorce, career, professional organizational involvement, retirement, and then a second life cycle career, dating, marriage and retirement again maybe! One thing Sandra stresses is her belief in CAN DO power! She believes her hearing impairment is not going to be a challenge; its going to be an opportunity to try to do things differently. Sandra says she doesnt have a disability she has a different ability. She does, as readers of this book have said, bring tears and laughter to the reader while sharing her story.
