This is a book of short stories centers around the misadventures of a young man, which as luck would have it is me. Just out of high-school I partied like a rock star for almost ten years. I took a lot of drugs and had a lot of sex. When I tell my stories aloud groups of people are on the edges of their seats, laughing and what not. I hope that Ive been able to transfer that same feeling into words. This item ships from La Vergne, TN. Paperback.
