Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

U.S. CLIMATE FINANCE: NICARAGUA (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The U.S. Agency for International Development (USAID) is investing \$4 million to promote clean and efficient energy use, help reduce energy consumption, and enhance conditions for increased public and private investment in Central America s renewable energy plan. Activities supported by this funding will strengthen the capacity of national and regional government institutions to support clean energy programs and projects and to harmonize regional regulatory and trade policy, including the development of the regional electricity market. The program will also finance activities to facilitate investment in regional renewable power generation.
