Michigan State University Press, United States, 2015.
 Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book. From his groundbreaking *Violence and the Sacred* and *Things Hidden since the Foundation of the World*, Rene Girard's mimetic theory is presented as elucidating the origins of culture. He posits that archaic religion (or the sacred), particularly in its dynamics of sacrifice and ritual, is a neglected and major key to unlocking the enigma of how we became human. French philosopher of science Michel Serres states that Girard's theory provides a Darwinian theory of culture because it proposes a dynamic, shows an evolution and gives a universal explanation. This major claim has, however, remained underscrutinized by scholars working on Girard's theory, and it is mostly overlooked within the natural and social sciences. Joining disciplinary worlds, this book aims to explore this ambitious claim, invoking viewpoints as diverse as evolutionary culture theory, cultural anthropology, archaeology, cognitive psychology, ethology, and philosophy. The contributors provide major evidence in favor of Girard's hypothesis. Equally, Girard's theory is presented as having the potential to become for the human and social sciences something akin to the integrating framework that...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
