Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Happy Learners Preschool Activity Guide is designed to be a valuable resource to parents, caregivers, early childhood professionals and other professionals who have an interest in building children s language and literacy skills. Research indicates that the time between birth and five years old is when the brain absorbs most of the information that will carry children through a lifetime. You can support a child s education by utilizing the activities in this guide. The activities are grouped around ten themes that target various areas of learning. They are hands-on and developmentally appropriate for preschool aged children. Most importantly, the activities are fun, interactive and provide an opportunity for you to spend quality time with your child while learning. The more your child enjoys the experience the more he or she will learn.
