Sentient Publications. Paperback. Book Condition: new. BRAND NEW, Our Secret Territory: The Essence of Storytelling, Laura Simms, This book is composed of revelations from the life of a world famous storyteller including extensive travel and projects spanning thirty years. It helps readers understand the power of storytelling as a profound and unique art form combining modern solo theatre, spoken literature, spirituality, and direct oral tradition akin to ancient ritual. The book is shaped with stories and poems and a remarkable fairytale that weaves in and out of a life of experiences: rescuing ex-child soldiers from a devastating war; working with epic singers, Native American storytellers and Tibetan meditation masters; designing a playground; telling tales to Roma mothers and children; and, saving a zoo in Northern Romania. This is a unique combination of personal story, myth, memoir, and fairytales that will interest anyone involved in storytelling as performance; those using narrative in healing, business, or education; peacemakers and humanitarians; writers; anyone seeking a deeper spiritual practice; and, those hoping to understand the psychology of personal memoir, myth and symbol, the importance of anthropology in our cultural life, and how communities are affected by the stories we tell.
