Michael Picucci an Imprint of Telemachus Press, United States, 2013. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.It is clear we are in the middle of a crisis and that at the same time there are good possibilities available to us. The evolution of humanity is at a turning point. The perceived right way to do things has been anything but. Seeing individuals as only that, and not also as part of a larger whole, has gotten us where we are today. We need new human technologies that respectfully and effectively bridge the arc from outdated paradigms to emerging new awareness. Focalizing Dynamic Links is presented as such a technology, bringing a conscious intention to relationship so that the energy shared and exchanged is for the good of each person, and for the good of us all. As such, it provides the opportunity for connecting and communicating in a new way, effecting transformation through our institutions and organizations. Dynamic Linking provides a bigger picture of now along with points of projection that can help participants to sense the way things might be. Focalizing Dynamic Links describe a simple process for optimizing our potential in becoming mature and responsible human beings in our relationships with one another and our home, planet Earth. The authors have created a formula for living and working together consciously. - John Renesch, author *The Great Growing Up: Being Responsible for Humanity's Future* San Francisco CA Focalizing Dynamic Links demonstrates how dissolving the barrier to real communication unleashes our power and resilience drawing additional positive energies into relationships and organizations. This dynamic interplay is a guiding light in creating happier, more sustainable lives. A book that describes a potent new human technology; Great! - Jennifer...
