License was granted to the Peoples Power Company on May 29, 1907, to construct, operate, and maintain a line of electric-light wires and electric-power wires across the Government bridges and their connecting street under condition that they light by electricity and maintain all the necessary poles, fixtures, reflectors, wires, and lamps for this lighting on the bridges and the connecting street. License which had been granted to the Rock Island and Eastern Railway Company to construct, maintain, and operate its tracks through the tailrace south of the old Moline dam wall of the power pool at this arsenal was on May 22, 1907, extended in favor of the Davenport, Rock Island and Northwestern Railway. The revocable license which had been granted June 2, 1902, to the city of Moline to construct and maintain a water main and settling basin at this arsenal was revoked by the Secretary of War November 6, 1906, no advantage having been taken of this privilege and in the meantime the proposed site having become necessary for the uses of the United States and having been transferred to the Engineer Department of the Army. The sum of 2, 399. 13...
