Reviews

*It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

America Star Books. Paperback. Book Condition: New. Paperback. 294 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. In hindsight, maybe I shouldnt have paid attention to the sounds of the night. Certainly life would have been more restful and peaceful had I ignored them. Of course, giving up sleep to pry into the affairs of others may not have been nice - or smart - but it was kind of fun. Why me Why was I chosen to hear intimate details of some Lattys Grove residents While boyhood adventures of Marty were interesting and often humorous, learning the events that led to Galens suicide were painful; and Big Eds journey to Hell was downright scary especially when I never believed in such a place. Most disturbing was discovering the murderous activities of a nerdy, loner called Gert. Hope he doesnt know about me. What I originally thought was an innocent (though voyeuristic) look into the others lives turned out to be more than I bargained for. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
