Brand New Book ***** Print on Demand *****.In such a vast universe, home to planet earth with a population of billions and so much suffering, how we can believe that God really cares what happens to us? This book explores the gospel for a Christian answer to that question. In 35 sessions of reflection, accompanied by inspirational color photographs, Reverend Witten highlights hallmarks in the life and ministry of Jesus for understanding the depths of God s love for every human being on the planet. The premise of this book is that, in a world like this, we connect the dots to God s love for us through Jesus Christ. The good news is that God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life. The book is an engine for personal and group reflection. It is also a resource for journaling.
