Brand New Book ***** Print on Demand *****.Explosive Sequel to the #1 Amazon Kindle YA Bestseller, AEGIS RISING WORLDS COLLIDE . HEROES ARISE On a bright July morning in 1948, a B-29 Superfortress flying a top-secret research mission over Nevada crashes into the calm waters of Lake Mead and sinks, remaining lost for half a century. It has been nearly a year since five friends - Jag, Kody, Mariah, Tegan and Aari - mysteriously reappeared in a small town in Yukon several weeks after their small plane went down in Northern Canada. All were found in good health but with no recollection of what happened to them after the crash. A baffling contagion is spreading across the bread-basket of North America destroying vital crops. As this dark shadow marches across the globe, widespread famine and riots bring desperate nations to the brink of war. These seemingly unrelated events set the stage for a battle between the forces of darkness and those destined to become the bearers of light . From ravaged fields in the Great Plains to clandestine installations around the world, the Aegis League must race against time to save humanity.
