PARIS 1919: SIX MONTHS THAT CHANGED THE WORLD

DOWNLOAD

Random House. 1 Paperback(s), 2002. soft. Book Condition: New. (Winner of the Samuel Johnson Prize, Governor-General's Prize, PEN Hessel Tiltman Prize, and Duff Cooper Prize, and a finalist for the Robert F. Kennedy Book Award) Margaret MacMillan's sterling 2001 history traces the actions of the victorious national leaders in the months after Armistice Day. For six months in 1919, after the end of "the war to end all wars," the Big Three President Woodrow Wilson, Britain's prime minister David Lloyd George, and French premier Georges Clemenceau met in Paris, ostensibly to shape a lasting peace. MacMillan creates a dramatic and close-up view of those fateful days, which saw political entities like Iraq, Yugoslavia, and Palestine born out of the ruins of bankrupt empires, on a new world map drawn along the same old political competitions. "The history of the 1919 Paris peace talks following World War I is a blueprint of the political and social upheavals bedeviling the planet now. A wealth of colorful detail and a concentration on the strange characters many of these statesmen were keep [MacMillan's] narrative lively." NYTBR "MacMillan's book reminds us of the main lesson learned at such a high cost in Paris in 1919: Peace is not something that can be imposed at the conference table. It can grow only from the hearts of people." LATimes 570.
